Overall Height:

Between 0.6200 inches and 0.6300 inches

Bore Diameter:

Between 1.4995 inches and 1.5000 inches

Overall Outside Diameter:

2.7340 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Special Features:

Sleeve in bore included

Material:

Steel washer

Style Designator:

Clutch release, thrust

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
