**Material Hardness Rating:**

Between 55.0 rockwell c and 60.0 rockwell c

**Design Type:**

Mainspring

**Elliptic Shape:**

Semi

**Rebound Clip Quantity:**

2

**Bushing Type:**

Plain

**Spring Length Under Load:**

22.000 inches

**Material:**

Steel comp 8660 or steel comp 8655

**Material Specification:**

Qq-s-624-canceled federal specification 1st material response or sae assn standard 2nd material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02900
