**Thread Length:**

0.500 inches

**Outside Diameter:**

5.250 inches

**Overall Height:**

1.000 inches

**End Application:**

Hemtt family (heavy expanded mobility tactical trucks)

**System For Which Designed:**

Pressurized

**Retaining Device Type:**

Chain and wire hook

**Pressure Relief Method:**

Automatic

**Thread Diameter:**

4.000 inches

**Color:**

Yellow

**Material:**

Copper alloy 377

**Style Designator:**

Non-vented threaded type (internal)

**Thread Series Designator:**

Npt

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A083a0
