Physical Form:

Liquid

Quantity Within Each Unit Package:

5.000 gallons

Rated Working Time:

2 hours

Features Provided:

Separate catalyst

Rated Drying Time:

36.000 hours

Color:

Green

Material:

Resin synthetic

Reference Number Differentiating Characteristics:

As differentiated by the quantity requirement

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536d0
