Width:

0.880 inches

Thickness:

0.003 inches

Length:

1.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Lsi romec division pump, rotary, power driven pn--- fsn--- cust pn--- contr no--- ser no.--- elyria ohio rb17872-1 u.S. 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red, federal standard 595, 11105 inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
