**Chamfer Length:**

0.015 inches all ends

**Overall Length:**

48.000 inches

**Chamfer Angle:**

45.0 degrees all ends

**Overall Diameter:**

0.062 inches

**Product Name:**

Pin, hinge

**Material:**

Steel comp 302 and steel comp 304 and steel comp 316

**Material Specification:**

Qq-w-423, form i, cond b federal specification single material response

**Surface Treatment:**

Cadmium

**Surface Treatment Specification:**

Qq-p-416, type ii, class 2 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
