Hazardous Locations/environmental Protection:

Vaportight

Overall Length:

7.500 inches

Overall Diameter:

4.500 inches

Lamp Base Type Accommodated:

Medium screw

Illumination Directing Device Type:

Globe

Voltage Rating In Volts:

600.0 ac

Mounting Method:

Pipe

Lamp Type Accommodated And Quantity:

1 incandescent

Lamp Protection Device:

Open side guard

Special Features:

Hub size 0.750 in. Dia

Material:

Iron alloy body

Surface Treatment:

Any acceptable body

Shape:

Right angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
