**Overall Length:**

8.000 inches

**Overall Width:**

3.380 inches

**Mounting Device Quantity:**

13

**Mounting Method:**

Unthreaded hole

**Light Transmission Design:**

Translucent lens

**Criticality Code Justification:**

Feat

**Special Features:**

L-h mtd; w/gasket consisting of an environmental and a electromagnetic interference shield strip bonded together and to the lens

**Color:**

Red lens

**Material:**

Plastic acrylic lens

**Surface Condition:**

Smooth back

**Style Designator:**

Flat

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528d0
