Overall Length:

7.312 inches

Design Designation:

Kirschner

Material And Location:

Steel, corrosion resisting

Size:

Commercial medium

Arm Adjustability:

Adjustable

Product Name:

Tractor bone wire kirschner coml medium 7.312"lg crs

Special Features:

For use in holding kirschner wire drills

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-h
