Overall Length:

8.750 inches

Blade Width:

1.125 inches

Blade Shape:

Chisel

Action Type:

Pivoted lever

Blade Type:

Serrated

Design Designation:

Stryker

Material And Location:

Steel, corrosion resisting

Grip Type:

One hand

Product Name:

Cast spreader 8.75" lg 1.125" blade serrated crs

Special Features:

W/four serrated blades and spring closure for one hand operation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-a
