Head Length:

1.500 inches

Gripping Surface Condition:

Knurled

Overall Length:

8.500 inches

Material And Location:

Aluminum

Head Shape:

Cylindrical

Err Default:

Err default

Product Name:

Mallet bone surg aluminum 8.50" lg cylindrical head 1.50" lg

Special Features:

Non sparkling surface resists chipping and damage to bone cutting instruments; flatten surface on handle f/good grip; weight 10oz.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-h
