Usage Design:

To retainface bitefork at a desired height

Adjustability:

Adjustable

Construction:

Noncollapsible

Adjustable Clamp:

Not included

Product Name:

Support face bow bitefork dental articulator adjustable crs

Special Features:

COMP-AT-ABL-EWIT

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T243-f
