Overall Length:

0.625 inches

Overall Height:

4.000 inches

Overall Width:

4.000 inches

Measurement Type:

Digital

Display Type:

Liquid crystal

Display Digit Quantity:

6

Switch Type And Quantity:

4 push button

Product Name:

Thermometer, alarm traceable celsius

Special Features:

1 1/8 inch high digits; cable length 3.5 feet; shock and chemical resistant abs case; 4 in. X 4 in. X 5/8 in.; serial numbered certificate for

traceability to standards provided by nist; celsius scale

Material:

Plastic

Style Designator:

Panel mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
