Overall Length:

15.000 inches

Overall Height:

18.000 inches

Overall Width:

15.500 inches

Mounting Surface Plane:

Parallel

End Application:

Rocket motor model sr73-aj-1

Window:

Not included

Product Name:

Container, protective, injectant tank assembly

Special Features:

Fitted with formed polyurethane foam liner

Material:

Aluminum

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
