**Diameter:**

0.425 inches

**Thickness:**

0.025 inches

**Basic Shape Style:**

Round

**Marking Designation:**

Legend

**Inscription:**

Mach push limit

**Color:**

White inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
