Overall Length:

3.450 inches

Overall Width:

1.326 inches

End Application:

Gun, 20mm, auto: m61, m61a1, xm130, m195 cannon aa, m168

Special Features:

Heat treated; hydrogen embrittlement relief required; next higher assemblies f7790673, j7269016, f7269484, j7265898

Material:

Steel

Precious Material And Location:

All surfaces plated silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
