End Application:

E/I2-35-001-4321

Special Features:

Primary material 5086-h32, qq-a-250/7 or b209, .250 thk; optional material 5083-0, qq-a-250/6 or 5052-h32, qq-a-250/8 or astm b209; protective finish para 3.4, drawing 19207-12350824; unless otherwise specified all radii shall be .125 max; deformation is permissible

Functional Description:

Support.25mm gun guard

Material:

Aluminum and aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
