Overall Height:

2.028 inches

Overall Width:

1.987 inches

Special Features:

Al alloy per qq-a-250/11; chemical conversion coating per mil-c-5541, class 3; width between centerline drilled holes 1.711 and height 1.753; corner radius 4 x 0.138 and 4 x 0.126 ement of centerline hole to end of cover being 0.138agavgarmored reconnaissance-airborne assault, 2350-01-436-0005; wsd: fighting vehicle systems, bradley (bfvs)

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
