Overall Length:

1.125 inches

Overall Height:

0.250 inches

Overall Width:

0.750 inches

End Application:

2350-01-087-1095

Criticality Code Justification:

Feat

Product Name:

Glide

Special Features:

Weapon system essential; sintered bronze block; center raised .375 inch by .135 inch with two .203 inch diameter bolt holes; block used as guide to control movement

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
