Overall Length:

3.250 inches

Overall Height:

2.705 inches

Overall Width:

1.015 inches

End Application:

Ship; mk105mod0

Criticality Code Justification:

Feat

Product Name:

Deflector, side

Special Features:

Weapon system essential; stainles plate .06 inch thick

Color:

Black

Material:

Stainless steel

Surface Treatment:

Oxide

General Description:

Stainless steel 303, 304, or 316

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
