Overall Length:

11.840 inches

Overall Height:

14.250 inches

Overall Width:

3.320 inches

End Application:

Mk80 mod 3

Product Name:

Ammunition can bracket

Special Features:

300 series stainless steel; passivated with partial black oxide

Color:

Black

Material:

Stainless steel

Surface Treatment:

Passivate and oxide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
