Product Name:

Rifle, sniper, mk15m0

Special Features:

The mk 15 is a semi-automatic, 5-round magazine federal sniper rifle firing a .50 bmg round out to 1600 meters. Used to engage a wide range of targets from personnel to armored vehicles. The mk 15 features a fluted heavy match-grade barrel and an adjustable, removable buttstock made from fibreglass. The rifle is designed to be used with a bipod. Unlike the semi-automatic m82 / m107 the mk 15 is federal via a manually operated rotary bolt action. Weighs 26.9 pounds

Shelf Life:

N/a
