Overall Length:

9.460 inches

End Application:

M153 crows kit, boresighting

Product Name:

Adapter, boresighting, .50 cal

Special Features:

Material specification: t30102 per astm a681

Material:

Steel

General Description:

NHA:-10-050-1571

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
