Product Name:

Grip

Special Features:

M4 rifle grip assembly. The convert grip allows users to adjust the mounting location for a pressure pad and a cable remote asy in one of 16 position in a 360 degree arc about the circumference of the grip. When a cable remoteasy is not in use the grip easily converts from full length to a compact shorty version. It is constructed of a high strength polymer and designed to be easily installed w/out the need for tools.
