Overall Length:

0.500 inches

Overall Width:

0.370 inches

End Application:

1520-01-106-9519

Product Name:

Trim, orifice-actuator, gun turret

Special Features:

Mat: peek, center hole dia: 0.130 inch with 60 degrees chamfer

Specification Data:

Asme y14.100, y14.5m, y14.38 professional/industrial association specification and mil-p-46183 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
