Overall Height:

16.062 inches

Overall Width:

10.438 inches

Product Name:

Gear assembly, response, cradle control, upper

Specification Data:

Mil-t-22361 government specification and mil-g-7711 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Mil-std (military Standard):

Mil-t-22361 spec.
