Special Features:

Matl is insulating sleeving polyolefin, heat shrinkable class 1, color optional, 0.025 in. Wall thk per specification i-23053/5; all cables per specification mil-w-76; lace wires together using twine per mil-t-713 type p, waxed with a locking type stitch; circuit lead id per mil-t-14379 type 1; item c/o box p/n 11605004; cover p/n 11605005; switch p/n ms35058-22; terminal lug ref. No. 10954728; light p/n ms25256-4; switch p/n ms35058-27; tip p/n ms70089-1; connector p/n ms3102e-16s-5s; two gaskets p/n ms51007-5; connector p/n ms3102r-16s-1p; resistor p/n rc32gf221j

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A31700
