**Overall Length:**

7.758 inches

**Overall Width:**

4.060 inches

**End Application:**

Ship; weapon

**Criticality Code Justification:**

Feat

**Product Name:**

Molded restrictor assembly

**Special Features:**

Weapon system essential; 6 weldment choke holes, 2 at 18 degree, 2 at 40 degree rotation; part is inverse of pn 751-6402987-ay99

**Special Test Features:**

Holds weldment chokes

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
