| Case Material:                   |
|----------------------------------|
|                                  |
| Steel                            |
| Case Surface Treatment:          |
| Enamel                           |
| Maximum Voltage Rating In Volts: |
| 440.0 ac                         |
| Inclosure Type:                  |
| Encased                          |
| Power Source:                    |
| External                         |
| Mounting Method:                 |
| Deck                             |
| Maximumlength:                   |
| 42.000 inches                    |
| Maximumwidth:                    |
| 36.000 inches                    |
| Maximumheight:                   |
| 70.625 inches                    |
| Phase:                           |
| Three                            |
| Frequency In Hertz:              |
| 60.0                             |
| Shelf Life:                      |
| N/a                              |
| Unit Of Measure:                 |
|                                  |
| Demilitarization:                |
| Yes - demil/mli                  |
| Fiig:                            |
| A31700                           |
|                                  |
|                                  |
