End Application:

An/alq-141 mine countermeasures

Housing Material:

Steel, corrosion resisting

Electric Motor:

Not included

Special Features:

Pulse repetition-1 pulse per second; pulse length-10-15 msec; operating freq-37.5 khz; acoustic output-150db min; operating press-500psig max

Supplementary Features:

Pinger assembly with replaceable 9.8volt mercury cell

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T338-I
