Overall Length:

11.750 inches

Overall Height:

0.575 inches

Overall Width:

4.320 inches

End Application:

Camera canist

Criticality Code Justification:

Feat

Product Name:

Tail cone ballast

Special Features:

Military critical, export control; trianular shape with plascoat tausman 30 es coating, fits in tail cone

Color:

Black

Material:

Lead

Surface Treatment:

Plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
