Overall Length:

102.500 inches

End Application:

Camera canist

Criticality Code Justification:

Feat

Product Name:

Intake liner port

Special Features:

Military critical, export control; alloy 6061-t6 .032 inch thick

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
