**Overall Length:**

14.140 inches

**Overall Height:**

12.620 inches

**Overall Width:**

5.980 inches

**End Application:**

Camera canist

**Criticality Code Justification:**

Feat

**Product Name:**

Tail cone structure

**Special Features:**

Military critical, export control; aluminum alloy 5456-h116 with stainless steel inserts and nuts

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
