Overall Length:

14.140 inches

Overall Height:

12.620 inches

Overall Width:

5.980 inches

End Application:

Camera canist

Criticality Code Justification:

Feat

Product Name:

Tail cone structure

Special Features:

Military critical, export control; aluminum alloy 5456-h116 with stainless steel inserts and nuts

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
