Overall Length:

17.880 inches

Overall Height:

11.750 inches

Overall Width:

6.000 inches

End Application:

Pressure switch

Criticality Code Justification:

Feat

Special Features:

Weapon system essential; heavy duty positive locking hinges/latches, seal 25 o'ring, locks out contaminants watertight to 30 feet, airtight, dustproof, light weight; float when fully loaded

Color:

Charcoal

Material:

Foam resin with neophrene 'o'ring' seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
