Overall Length:

3.000 inches

Overall Height:

3.875 inches

Overall Width:

1.918 inches

End Application:

Aircraft; next assembly 9814831; ac 130

Accessory Components And Quantity:

Inserts 3

Product Name:

Block stop

Special Features:

3 inserts per ms51831-204l

Color:

Black

Material:

Aluminum alloy

Surface Treatment:

Paint

General Description:

Material is al alloy cmpsn 6061-t6, qq-a-250/11; finish is mil-std-171 color black

Thread Size And Series/type Designator:

1.250-12 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
