End Application:

1095-01-016-3116

Functional Description:

Used for bomb rack safety pin

Reference Data And Literature:

Navair 01-75pac-4-6 figure 6-39 item 21

Relationship To Similar Equipment:

Similar to lockheed bracket, safety pin, bomb rack, p/n 919773-1

General Description:

Aluminum alloy, t4, mfr specification Is 7891

Type/model Designation:

P-3c

Fsc Application Data:

Armament and photographic systems

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
