Overall Length:

5.800 inches

Overall Height:

0.790 inches

Overall Width:

0.453 inches

End Application:

Aircraft

Product Name:

Wedge, swaybracing

Special Features:

Export control; wedge assembly

Material:

Stainless steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
