Overall Length:

11.100 inches

Overall Height:

0.090 inches

Overall Width:

8.820 inches

End Application:

Navy code 00290b547

Special Features:

Matl is 6061-t6 aluminum; surface treatment per mil-a-8625, ty iii, cl 2 (nickel acetate seal), 0.003 inch maximum thickness, black finish; refer to drawing for additional details

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
