End Application:

2350-01-219-7577

Compressed Length:

1.04 inches

Design Characteristics:

Double acting spring

Mounting Type And Location:

Ball socket cylinder head end and bore cylinder base

Product Name:

10mm steel ball socket for m6 thread gas spring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511s0
