Servo Module Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/1220-00-030-8084

General Description:

Provides time of flight data, major components, amplifier with power supply and damping network, converter, gears, lamp, resistor,

servomotor, switch, synchro, wiring harness

Fsc Application Data:

Fire control attack console mk 38

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
