General Description:

Gitem c/o housing p/n 12279650; door p/n 12279377; identification plate p/n 12285280; strike catch p/n 12279372; for schematic diagram, see drawing 19207-12279652; for outline and installation, see drawing 19207-12279390; drawing depicts hardness critical item (hci) and/or hardness critical process(hcp) .All changes to or proposed substitutionsof hci's and/or hcp's must be evaluated for hardness impacts by the engineering activity responsible for survivability

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
