**End Application:**

Telescope

**Component Type And Quantity:**

1 knob and 1 bushing

**Special Features:**

Arm1; four mtg holes drilled in back plate of bushing; requires pressure leakage test at 10 psi, not to exceed 0.05 psi leakage per hour

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A51110
