End Application:

1240-00-348-8442

Attachment To Item Supported Method:

Holds item by means of applied pressure with groove

Supporting Object/surface Attachment Method:

Four 0.187 mounting holes on 1.562 in. By 1.562 in. Mounting centers

Special Features:

Aperture opening being grooved inward at 1.469 in. Dia

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Enamel

Surface Treatment:

Enamel

Fsc Application Data:

Periscope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T08100
