**End Application:**

1240-00-348-8442

**Attachment To Item Supported Method:**

Holds item by means of applied pressure with groove

**Supporting Object/surface Attachment Method:**

Four 0.187 mounting holes on 1.562 in. By 1.562 in. Mounting centers

**Special Features:**

Aperture opening being grooved inward at 1.469 in. Dia

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Surface Treatment:**

Enamel

**Surface Treatment:**

Enamel

**Fsc Application Data:**

Periscope

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T08100
