Inside Diameter:

1.390 inches

Overall Height:

0.687 inches

Scale Division Quantity:

100

Overall Outside Diameter:

1.500 inches

Inscription Color:

Black

Mounting Configuration:

Press on

Scale Unit Of Measure Inscription:

Yards 0 to 100

Special Features:

100 equal div to be engraved in 360 degrees with lines .015 in. W and .010 in deep. Graduate error in spacing of divisions not to exceed 15 min of arc, non-accumulative. Numbers to be engraved .015 w and .010 deep, .125 in. And .156 in high; .125 in. High numbers color red no. 30.1.2 of mil-std-171

Material:

Aluminum alloy, ww-t-700/3, t3

Material:

Aluminum alloy 2024

Material Specification:

Ww-t-700/3, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T275-a
