Width:

4.043 inches

Thickness:

0.350 inches

Length:

6.867 inches

End Application:

1240-01-250-8211 window, optical instrument, lantirn navigation pod

Polished Surface:

Both

Special Features:

Additional material is zinc sulfide

Material:

Selenium and zinc

Material:

Selenium and zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T271-f
