Overall Length:

4.000 inches

Overall Height:

1.750 inches

Overall Width:

3.130 inches

Voltage In Volts And Current Type:

9.0 dc

General Description:

Golf range finder, infrared laser/lcd display; one button operation; water resistant; requires 9vdc battery; w/case and carrying strap; lo battery indicator; measures distances instantly w/accuracy to 1 yd

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
