**Special Features:**

Horizontal pos 1nu only less than 25m cep, vertical pos inu only less than 16m pe, heading pointing less than 2.0 mils, heading stability less than mils per hour, pitch and roll accuracy less than 1.0 mils, maximum alignment static or gyr less than 5.0 min.

**General Description:**

Operating ranges mtbf 25,000 hours, power requirements 18-32vdc, 30 watts

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
