End Application:

Laser, type aas-35v

General Description:

Detector housing 1, detector mask 1, post video ampl assembly 4, detector-filter assembly 2, circuit card assembly 4, emi filter 17, terminal 4, capacitor 4

Fsc Application Data:

Aircraft gunnery fire control component

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
